### 2019 SUMMER RESEARCH GRANT NOW AVAILABLE

## HMS-NY RESEARCH GRANT

A grant of **\$2,500** is available for basic or clinical biomedical research to be conducted this summer under the auspices of a senior investigator who will provide supervision, equipment and space. Specific arrangements are the responsibility of the applicant. Selection will be based on the meritorious value of the research project.

**Eligibility:** Applicants must be (1) of Hellenic heritage, (U.S. resident) (2) candidates for Bachelors, M.D., Masters or Ph.D. degrees in the biomedical sciences, (3) enrolled in a U.S. accredited college or university.

**Entry:** Applicants must include **3 copies** of the following:

- a cover letter requesting consideration;
- a brief summary or outline of your research (**2-page limit**)  
**written specifically for this application;**
- a biographical sketch or a curriculum vitae; and
- a letter of support from the senior investigator

Applications not conforming to the above instructions will not be considered. The deadline for submission is **September 15, 2019**. Late submissions will not be accepted. Faxed material is unacceptable. Notification will be made by mail no later than October 15th. Recipient must be present and will be acknowledged at a Recognition Ceremony the first weekend in December in New York City.

**Please submit all necessary documentation typed by **Sept. 15<sup>th</sup>** to**

**Research Grants and Awards Committee**
